

Employee Recruitment Workshop

Many companies simply wait for talent to come to them. Simply advertising an open position and hoping that you find the right talent does not guarantee that you will find the best people for the jobs in your organisation. Actively seeking out qualified candidates is the best way to ensure that you find the talent that you need. Recruitment is essential to the success of your business.

Hiring a new employee is one of the largest investments you can make in business. That is why hiring the correct employee is so important. Hiring the right employee is more important than ever, as training is expensive. The Employee Recruitment course will provide your hiring department with the skills required to recruit the right employees for your organisation.

Workshop Objectives:

- Defining recruitment
- Understanding the selection process
- Recognising the GROW model and how to set goals
- Preparing for the interview and question process
- Identifying and avoiding bias when making offers
- Discovering ways to retain talent and measure growth
